Evidence of ownership of capital stock shall be by book entry.

The Association shall be its own transfer agent in all matters relating to its capital stock.

825 Distribution on Liquidation

In the event of liquidation or dissolution of the Association, any assets of the Association remaining after payment or retirement of all liabilities shall be distributed:

To the holders of allocated surplus pro rata, on the basis of oldest allocations first, until an amount equal to the total account has been distributed; and

To the holders of Class J common stock and Class K Stock, without preference, in proportion to the number of shares then issued and outstanding.

Except as otherwise provided in the Act, any impairment of capital stock shall be treated as impairing all shares of Class J Common Stock and Class K Common Stock, pro rata to each share outstanding, without preference to class of stock. Impaired stock shall be restored on a pro rata basis, without preference to class of stock, until each share of stock has a book value equal to par or face value.

835 Allocated Surplus

835.1 The Board may create and maintain an allocated surplus account consisting of earnings held therein and allocated to borrowers on a patronage basis pursuant to Section 870. 835.2 The Association shall have a lien on all surplus account allocations owned by any borrower, and all distributions thereof, as additional collateral for the borrower's indebtedness to the Association.

835.3 When the debt of a borrower is in default or is in the process of final liquidation by payment or otherwise, the Association may order any and all surplus account allocations owned by such borrower to be applied on the indebtedness. Any such retirement and application of surplus account allocations to indebtedness shall be before similar retirement and application of other stock owned by the borrower.

835.4 Whenever all of the stock owned by a borrower are retired or otherwise disposed of and the Association meets any regulatory capital requirements applicable to it, any surplus account allocations owned by such borrower may also be retired upon request of the owner and approval of the Board, and the proceeds paid to the owner. Alternatively, if the Association directs, such surplus account applications may be applied against any of the borrower's indebtedness to the Association.

835.5 In the complete discretion of the Board, allocated surplus may be distributed, oldest allocations first, in cash. The cash proceeds may be applied against the indebtedness of the borrower to the Association. In no event shall such distributions reduce the surplus account below the minimum capital amount prescribed by any capital adequacy requirements applicable to the Association. Distributions of less than the full amount of all allocations issued as of the same date shall be on a pro rata basis.

840 Applications of Earnings

At the end of each fiscal year, the Association shall apply its earnings (including patronage allocations and refunds received from FCB) for such fiscal year as follows:

840.1 First, to cover operating and non-operating expenses including additions to loan loss reserves.

845.2 Second, the impairment of allocated surplus with the application in the order of most recent to oldest, on a pro rata basis, until all allocated surplus has been exhausted.

845.3 Third, to the impairment of capital stock as provided in Section 830.

850 Surplus

The Association shall create and maintain an unallocated surplus account in an amount prescribed from time to time by the Board of Directors. The surplus may not be reduced except as provided in Section 845.1.

860 Dividends

860.1 Subject to the Act and the Regulations thereunder, and provided that, at the time of declaration thereof, no class of stock shall be impaired, noncumulative dividends may be declared and paid on any one or more classes of stock, as the Board from time to time may determine, subject to the preferences established in this Section. All dividends will be declared on a per share basis.

860.2 If dividends are declared on common stock, they must be declared at the same rate per share or unit on Class J and Class K Common Stock.

860.3 Dividends may be paid in the form of any class of stock which the recipient thereof is eligible to hold, or in cash, or any combination thereof, as the Board from time to time may determine.

865 Effective Date

Dividends, when paid, shall be paid to holders of record on the effective date of declaration.

870 Patronage Refunds

870.1 Subject to the provisions of the Act and Regulations and the following provisions, the Association's Board may, by adoption of a resolution, obligate the Association to distribute, in a qualified or nonqualified form, to borrowers and other patrons ("Patrons"), on a patronage basis, all or any portion of the available net earnings for such fiscal year or for that and subsequent fiscal years. Absent such resolution, the Association's earnings shall automatically be included in the consolidated patronage earnings of Western AgCredit ACA and subject to distribution as patronage pursuant to Article VII of Western AgCredit ACA's bylaws.

870.2 All patronage distributions directly from the Association shall be in proportion to the amount and/or value of business done by the Association with or for each Patron, as determined by the Board on an equitable and nondiscriminatory basis. Any earnings pool that may be established for the payment of patronage distributions should be established on a rational and equitable basis and shall insure that each Patron of the Association receives its fair share of the earnings of the Association and bears its fair share of the expenses of the Association, provided that the board shall retain discretion not to pay patronage distributions on one or more of such pools.

870.3 The availability of earnings for patronage distributions shall be determined after first making applications required by this Article, and providing for the transfer to unallocated surplus of the amount, if any, established by the Association's capitalization plan. The Board in its resolution may establish a minimum level of available earnings and if the available earnings fall below this level no patronage distribution will be made.

870.4 Patronage distributions may be in cash or allocations of earnings retained in an allocated surplus account, or any one or more of such forms of distribution. Any portion of a patronage distribution made in the form of allocated surplus which is not a multiple of \$5.00 may be distributed in cash or held by the Association for the borrower and included in subsequent distributions.

870.5 If the debt of a borrower is in default, any part of the patronage distribution to that borrower may, at the discretion of the Association, be applied against the borrower's indebtedness to the Association.

870.6 The Association may obtain from each Patron such Patron's consent to take into account, as income, at its stated dollar amount as provided in 26 U.S.C. §1385, the amount of his or her respective distribution paid in, or evidenced by, a qualified written notice of allocation, which may include allocated surplus, and/or the amount of any distribution that has been applied to the patron's indebtedness as provided in Section 870.5 of these bylaws. Consent shall be in a form prescribed by the Board and shall comply with the requirements of 26 U.S.C. §1388. Consent may be by qualified check as described in 26 U.S.C. §1388.

Consent under this section shall be continuing in effect, provided that consent (other than consent by qualified check) may be revoked in writing, which revocation shall become effective only with respect to patronage occurring on or after the first day of the first fiscal year of the Association beginning after the revocation is filed with the Association.

870.7 Reserved

870.8 Notwithstanding other provisions of this section, the Association may not obligate itself to distribute earnings on a patronage basis if the Association, Western AgCredit ACA and Western AgCredit FLCA, on a consolidated basis, would not, after taking into account such distribution, meet capital adequacy standards as determined from time to time in accordance with the Regulations.

The minutes of all committees and of the board of directors shall be signed by their respective chairmen or presiding officers and attested to by the person acting as secretary of the meeting.

1000.2 To protect the confidentiality of the resolutions adopted by the board in casting the ballots for nominations and election of FCB board members, the minutes shall reflect that balloting was held and the results of the balloting were mailed to the independent auditor prescribed by the FCB.

1000.3 Association director ballots and proxy ballots shall be physically safeguarded before the time of distribution or mailing to voting stockholders and after the time of receipt by the Association until disposal. 1000.4 The Association shall provide for an independent auditor or for the establishment of a Tellers Committee or other designated group of persons which shall be responsible for validating ballots and proxies and tabulating election results. Association directors, officers, and employees shall make no public announcement of the results of the election before the independent auditor or Tellers Committee or other designated persons have validated the results of the election.

As required by Regulations or more often as determined by the Board, the Association shall make available to each member a written financial report, including a statement of income and expense and a statement of condition which shall conform to generally accepted accounting principles and Regulations. Such reports shall be consolidated reports reflecting the activities of Association, Western AgCredit ACA and Western AgCredit FLCA to the extent required by FCA.

ARTICLE XI -- UNCLAIMED PROPERTY

The Association shall seek to pay the owners the proceeds of any retirement of stock and any accrued dividends. In the event the Association, after a period of five (5) years from the date payable, is unable to determine the address or whereabouts of the owner or the heirs and assigns of the owner, the funds may be taken into income of the Association unless other disposition is required by State law.

ARTICLE XII -- FISCAL YEAR

The fiscal year of this Association shall be the calendar year.

ARTICLE XIII -- INDEMNIFICATION OF DIRECTORS, OFFICERS, AND EMPLOYEES

1300 Indemnification

1300.1 The Association shall indemnify, to the fullest extent permitted by law, any director, officer or employee who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he/she is, or was, a director, officer or employee of the Association, or is or was serving at the request or direction of the Association as a director, officer, employee, agent, administrator, advisor, fiduciary or member of another corporation, partnership, joint venture, holding company, subsidiary, trust, retirement or other employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

1300.2 The Association may indemnify any agent of the Association to the same extent as and under the same provisions applicable to directors, officers and employees, but only by specific action of and to the extent designated by the Association's Board.

1300.3 As used in this Article, "party" means a defendant or respondent in an action, suit or proceeding.

1310 Additional Indemnification Provisions

Notwithstanding any other provision of this article, a director, officer or employee of the Association who has been successful, on the merits or otherwise, in the defense of any suit or proceeding referred to in Section 1300 of this article to which he/she was a party shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with such suit or proceeding.

1320 Procedure

Any indemnification under Section 1300 of this article (unless ordered by the court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, or employee is proper in the circumstances. Such determination shall be made (1) by the Association's Board by a majority vote of directors who were not parties to such action, suit or proceeding even though less than a quorum; or (2) if such a majority is not obtainable, or even if obtainable, a majority of disinterested directors so directs, by independent legal counsel in a written opinion. For the purposes of this Section 1320, independent legal counsel shall be selected by a majority of disinterested directors or, if such a majority is not obtainable, by the Board of Directors.

1330 Advances of Expenses

Notwithstanding the provisions of Section 1320, reasonable expenses incurred in defending any civil or criminal action, suit or proceeding, shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, if the director, officer or employee shall undertake to repay such amount in the event that it is ultimately determined, as provided herein, that such person is not entitled to indemnification for such amount. Advances of expenses shall be made promptly and, in any event, within 30 days, upon written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if and to the extent a determination is reasonably made pursuant to Section 1320 that the director, officer or employee is not entitled to indemnification for such expenses pursuant to section 1300.

1340 Right of Claimant to Bring Suit

If a claim for indemnification or advancement under this Article is not paid in full by the Association within thirty days after a written claim therefore has been received by the Association, the claimant may any time thereafter bring suit against the Association to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Association) that the claimant has not met the standards of conduct which make it permissible under the applicable law for the Association to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Association.

Neither the failure of the Association (including its Board of Directors or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he/she has met the applicable standard of conduct nor an actual determination by the Association

(including its Board of Directors or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

1350 Contractual Rights

The right to be indemnified or to the reimbursement or advancement of expenses pursuant to this article 1) is a contract right based upon good and valuable consideration, pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Association and the director, officer or employee, 2) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and 3) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto. However, this article does not constitute a contract of employment or any terms and conditions of employment, and does not affect the employment status of any employee.

1360 Requested Service

Any director, officer or employee of the Association serving, in any capacity, 1) another entity of which a majority of the securities entitled to vote in the election of its directors or comparable executives is held directly or indirectly by the Association and/or other Farm Credit System entities, 2) any employee benefit plan of the Association or of any entity referred to in clause (1) above, or 3) any committee, subcommittee, special asset group or other similar body related to the Farm Credit System, shall be deemed to be doing so pursuant to authorization in writing by the Association's Board of Directors.

1370 Other Rights

The indemnification provided by this article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any insurance or other agreement, vote of directors or otherwise, both as to actions in their official capacity and as to actions in another capacity while holding an office, and shall continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or who is or was serving in any of the capacities referred to in Section 1300 hereof against any liability asserted against him/her or incurred by him/her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him/her against such liability under the provisions of this article.

1380 FCA Penalties

Notwithstanding any other provision of this Article, the Association may neither indemnify, nor purchase or maintain insurance to indemnify, directors, officers, employees or agents against expenses, penalties, or other payments incurred as a result of

an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the Association, PCA or FLCA.

1390 Applicable Law

Interpretation of these bylaws shall be under the laws of the State of Utah.

ARTICLE XIV -- AMENDMENTS
